Subject: RE: Διδακτική ικανότητα υποψηφίου

Everyone,

Christos Georgalas is one of the premier rhinologists and skull base surgeons in the world and does not need introduction. He is an amazing teacher and his textbook in rhinology and skull base is used by my own residents on an everyday basis. He is a gem for any program that can have him on their faculty list.

I know I am preaching to the choir but I just had to say it

Hope to see you all soon.

Take care.

Stil Kountakis, MD, PhD

Professor and Chairman, Department of Otolaryngology Head and Neck Surgery

Edward S. Porubsky, MD Distinguished Chair in Otolaryngology

Director, Rhinology-Skull Base Surgery Fellowship

Medical College of Georgia of Augusta University
